

Website Rebuild

Company: PymSphere
Date: October 30, 2025

Quote Summary

- **Total:** \$870.00
- **Domain Handling:** DNS Handling (included in 1st year) and Domain Renewals and record upkeep (optional for subsequent years or as needed)
- **Hosting:** \$20 (monthly) or \$200 (annually)
- **Estimated Man-hours:** 25.0000/business hours

Included in Proposal

Complete redesign of the company's website to serve as a professional business card site showcasing the company's AI, hardware, IoT, and defense technology capabilities. Design theme inspired by cyberpunk and Neo-Tokyo aesthetics, emphasizing a modern, futuristic look while maintaining readability and professionalism. Includes setup for scalability and feature expansion, ensuring future upgrades can be added with minimal effort. Mobile-friendly layout optimized for responsive design across devices. Basic SEO-ready structure for improved discoverability (meta descriptions, titles, and site indexing). First-year includes 1–2 minor content updates (adding, removing, or updating text or images on existing pages). Contact form setup with anti-spam protection for improved lead filtering.

Maintenance & Hosting

- **Domain:** DNS Handling (included in 1st year) and Domain Renewals and record upkeep (optional for subsequent years or as needed)
- **Hosting:** \$20 (monthly) or \$200 (annually)

Project Overview

- **Landing Page**

Introduces the company and its mission. Highlights the company's identity as an AI-powered technology firm with projects spanning hardware, software, IoT, and defense. Clean, visual-first layout conveying the futuristic, tech-driven theme. Credentials section (e.g., certifications,

licenses, years in service, key accomplishments). Optional Veteran acknowledgment section for identity association.

- **About Page**

Company background, leadership overview, and mission statement. Narrative focus on innovation, integration, and next-generation problem-solving.

- **Services Page**

Highlights areas such as AI systems, IoT development, hardware integration, and defense technology applications. Optional future section for product showcases (e.g., "Aqua Dot" project).

- **Contact Page**

Contact details: phone, fax, email, etc. Business location and service area. Business hours (including special seasonal hours). Contact form with service interest selector.

Add-ons

Additional services can be added on request.

Payment Details

- **Deposit required to begin:** \$0.00
- **Remaining balance:** \$870.00
